The Builders

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.

Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest.

For the structure that we raise,
Time is with materials filled;
Our to-days and yesterdays
Are the blocks with which we build.

By
Henry Wadsworth Longfellow

Foreword

He comes to us as grains of sand, bits of straw, eager to be molded into his own shape which would best fit him into the wall of society. He is packed together with a sturdy base upon which his entire future depends. As he advances through the certain stages of production, striking characteristics begin to compose his personality. Feelings and emotions become alive as he is pushed and squeezed toward the goal. Jointed, glazed, and polished, he slides down the ramp ready to meet the resistance which life has to offer. School is a student's way of life and life is forever building.

CURRICULUM

George M. Donnelly

BOARD OF EDUCATION: Clerk Lester Henningsen, Supt. George Donnelly, Mr.

Administration Plans for the Future

MR. GEORGE DONNELLY is beginning his third year as superintendent of Genoa Area School System. He belongs to the American School Administrators' Association, the Ottawa County Education Association, and the Kiwanis Club. Mr. Donnelly is always working with the Board of Education to advance our local standards with those set by the State Board. Camping and gardening are his favorite interests.

MR. PATRICK BARTON is beginning his second year as principal of Genoa Area High School. He is a member of the Ohio Education Association, National Education Association, and Phi Delta Kappa, a fraternity which tries to advance the principles and standards of education. Coin collecting is one of his favorite hobbies. He enjoys basketball and a good game of bridge.

Patrick J. Barton

Robert Samsen, Mr. Russell Rice, Mr. Albert Briggle, Mr. Lyle Shiffert, Mr. Richard Sheets.

James Firestone

David Hitchen

Mr. Hitchen assists Senior Jeff Rice in filling out his college application.

Guidance Counselors Assist Many Students

MR. DAVID HITCHEN serves as a guidance counselor besides teaching government and record keeping. He is presently attending Bowling Green State University to secure his Master's degree in Guidance and Physical Education. He is assistant football coach and reserve basketball coach. Boating, swimming, and water skiing are his hobbies. His favorite dinner is a filet mignon special. Mr. Hitchen would like to see a government course in sociological problems added to the curriculum.

MR. JAMES FIRESTONE serves as a guidance counselor besides teaching business law, economics, and sociology. He is the head football coach. Coach Firestone has the unusual habit of rooting for his underdog in all sports. This year his favorite team was the "Cinderella" of the Big Ten, Indiana University. He likes fried chicken and Dutch apple pie. Mr. Firestone is annoyed by the person who has no goal in life.

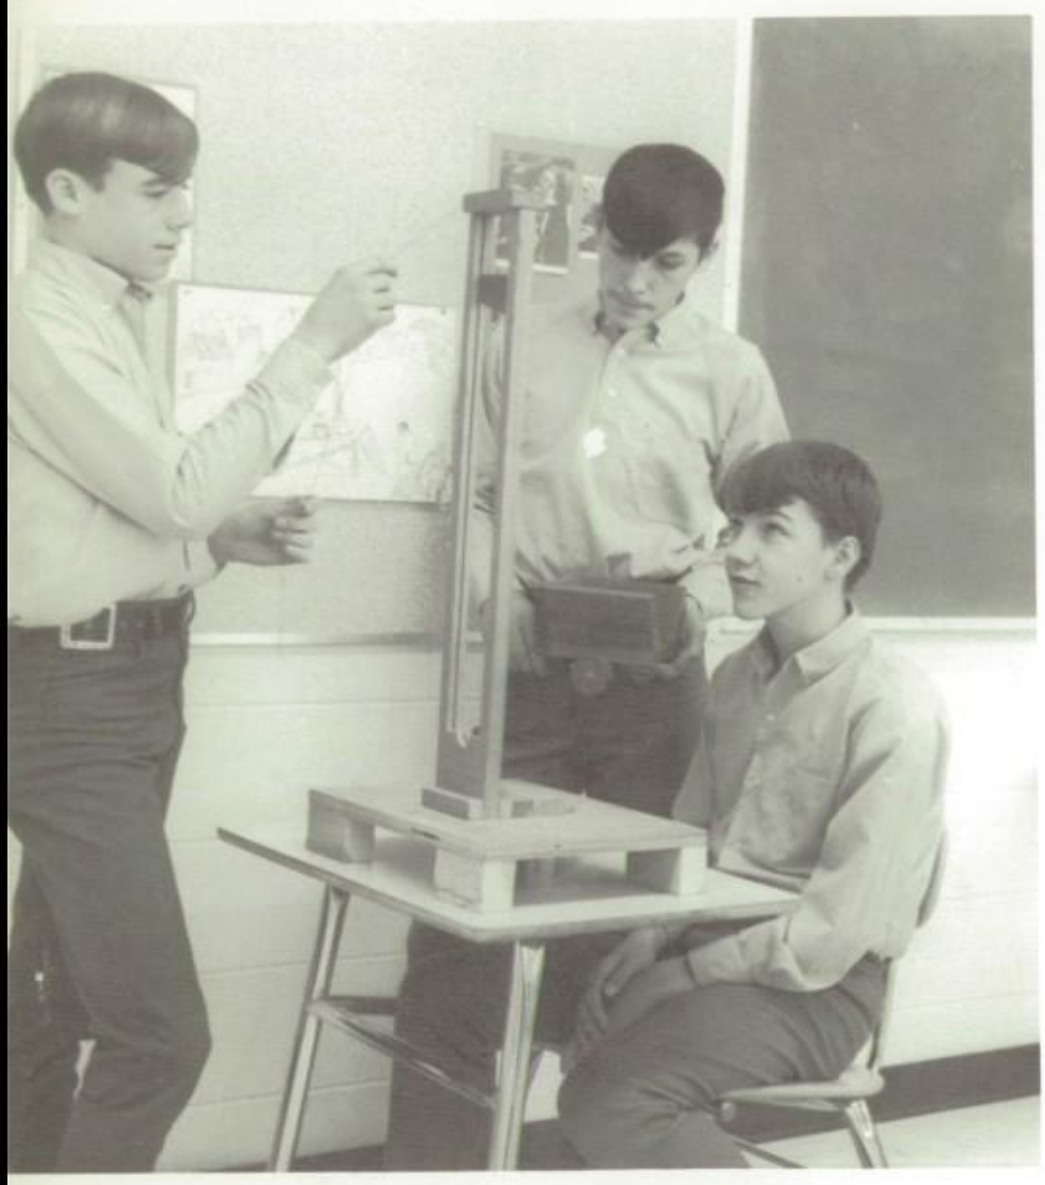
Three New Teachers Join Language Department



Brett Smith hoists the dreaded guillotine into position as Wayne and Jim Helle relive the terror of the French Revolution.

MRS. ALICE DAVID teaches English I and is advisor to the Annual Staff, National Honor Society, and Quill and Scroll Society. She also serves as the Dean of Girls. Known for her enthusiasm in sports, Mrs. David is a loyal fan of the University of Michigan Wolverines. She likes to travel and recently made a trip to Grand Bahama. American literature, English literature, and speech are taught by **MISS ERMA JOHNSON.** Miss Johnson is the advisor for both the Student Council and the National Honor Society. She likes gardening and has quite a variety of house plants. She enjoys the fall season of the year because of its lovely, picturesque scenery. **MR. JAMES MERICLE** teaches English I, II, and Senior Composition. He coaches the freshman basketball team and the track team. Music is a hobby of Mr. Mericle and he is an accomplished trumpet player. He would like to see a course in Great Books added to the curriculum. Spanish I, II, and French I, II are taught by **MRS. BARBARA MILLER.** Mrs. Miller enjoys the exciting game of football with her favorite collegiate teams being the Bowling Green Falcons. She would like to see German or Russian taught in our school system. **MR. JERRY OBERHAUS** teaches English II and Senior Composition. He coaches the reserve football team and the varsity wrestling team. His favorite food is lasagna. Mr. Oberhaus enjoys the spring season because of the fresh air and warm weather.

Languages Explore Creative Interests

In **ENGLISH I** the freshmen are expected to learn and use properly the rules of grammar. The students also become familiar with the rules of parliamentary procedure. The novel, **Tale of Two Cities,** and **Merchant of Venice** are studied in detail. **ENGLISH II** requires students to apply their grammar rules by writing paragraphs, essays, and book reports. The cruelty of ancient Roman times seems to come alive in the play, **Julius Caesar.** Early American customs, tradition, and laws are related through the short story and novel in **AMERICAN LITERATURE.** Our rich heritage of poetry is explored and evaluated. The juniors may enter the National Poetry or Essay Contest if they wish to do so. **SPEECH, ENGLISH LITERATURE,** and **COMPOSITION,** are senior subjects. In **SPEECH,** students learn to be creative and informative while addressing an audience. In **ENGLISH LITERATURE** the students trace the style and material of the English authors from the Middle Ages to Modern Day England. **COMPOSITION** is a course geared to meet the needs of the college-bound student. Everything from the well-written topic sentence to a well-developed personal essay is discussed.

Using Spanish records as a modern method of studying this language, are Sam Ramirez, Barb Mandell, and Teresa Best.

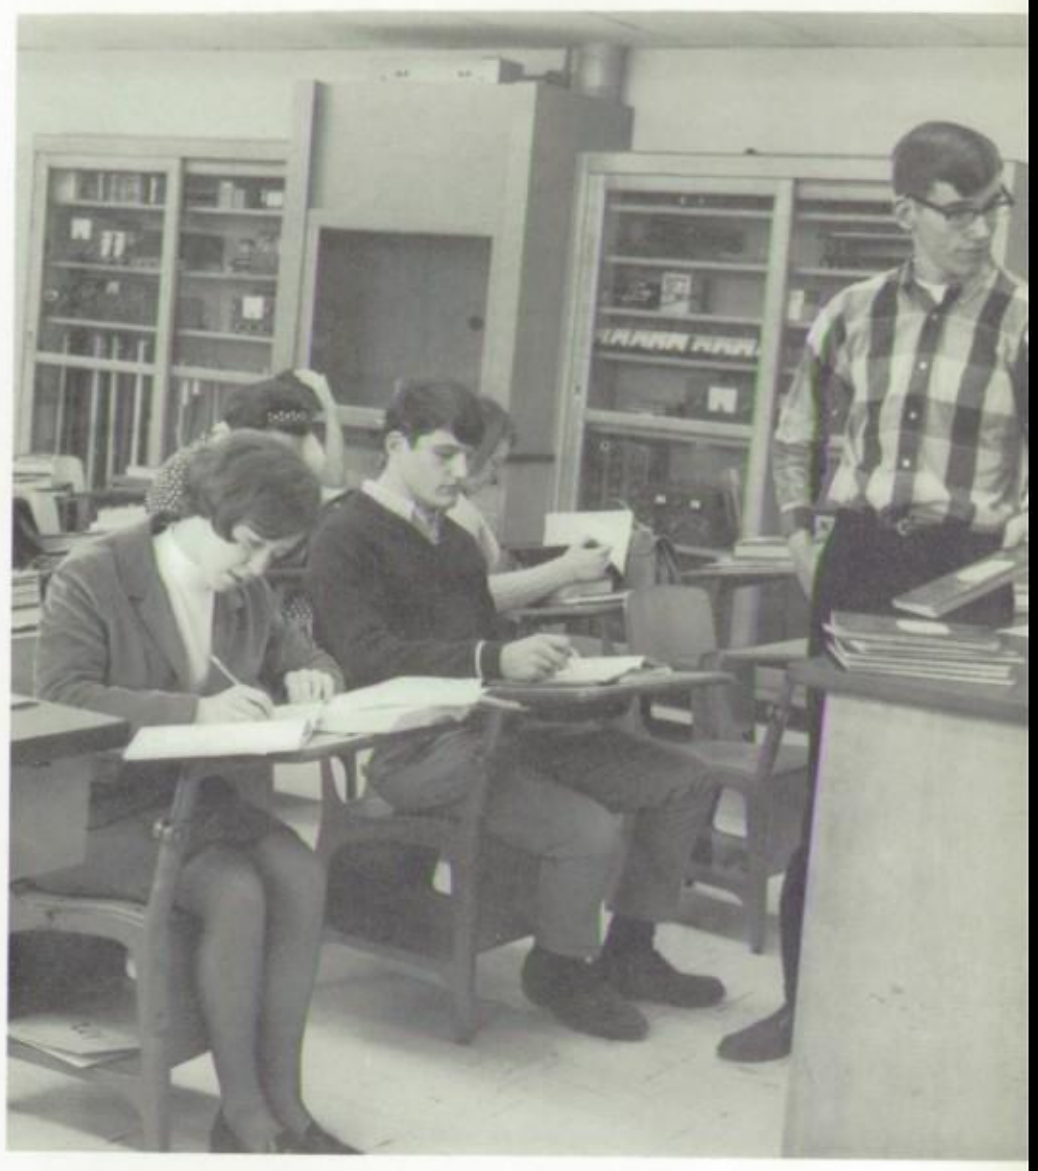
Science, Math Teachers Have Varied Interests

MR. JAMES NOVOTNY teaches Electronics, Physics, and Chemistry. He served as Chairman of the Spring Science Fair. Coin collecting and photography are his pastime interests. Algebra I, II, and Senior Math are taught by **MR. DALLAS PORTER.** Mr. Porter is active in the National Council of Math Teachers. He enjoys the warm spring weather which affords him the chance to go fishing. Biology is taught by **MR. ROBERT SIEREN.** He serves as an advisor to the Sophomore class. Mr. Sieren enjoys camping, swimming, and fishing for relaxation. **MR. ROBERT SCHMIDT** is the instructor for I.P.S. Ice hockey is his favorite sport because of its swift pace and rugged stature. Swimming and picnicking are his favorite summertime activities. General Math I, II, and Geometry are taught by **MR. ROBERT BAIRD.** Being freshman football coach and varsity baseball coach occupies most of his time. Mr. Baird is known for playing an "interesting" game of bridge.

New Science and Math Arouse Student Thoughts

I.P.S. is a new freshman science course which combines the principles of general science with physics and chemistry. In **BIOLOGY** the plant and animal kingdoms are explored in great detail to familiarize students with the abundant life which surrounds their own environment. **PHYSICS** is a subject which deals with the common principles of matter, energy, time, and distance. This course introduces the metric system as the scientific unit of measurement. **CHEMISTRY** students are expected to keep an efficient and accurate notebook including daily notes, homework problems, and observations of lab work.

In **ALGEBRA I,** freshmen are required to learn and apply the major axioms of this advanced math. **ALGEBRA II** students delve into the special uses of certain problems. They become skilled in using the function charts and the slide rule. **GEOMETRY** is a different type of math in that the student is challenged by logical and systematic reasoning. Trigonometry, statistics, inequalities, and some calculus are topics covered in **SENIOR MATH.**



Lyle Shiffert adds his chemistry notebook to pile as Carol Brooks and Chick Coleman make last minute additions.

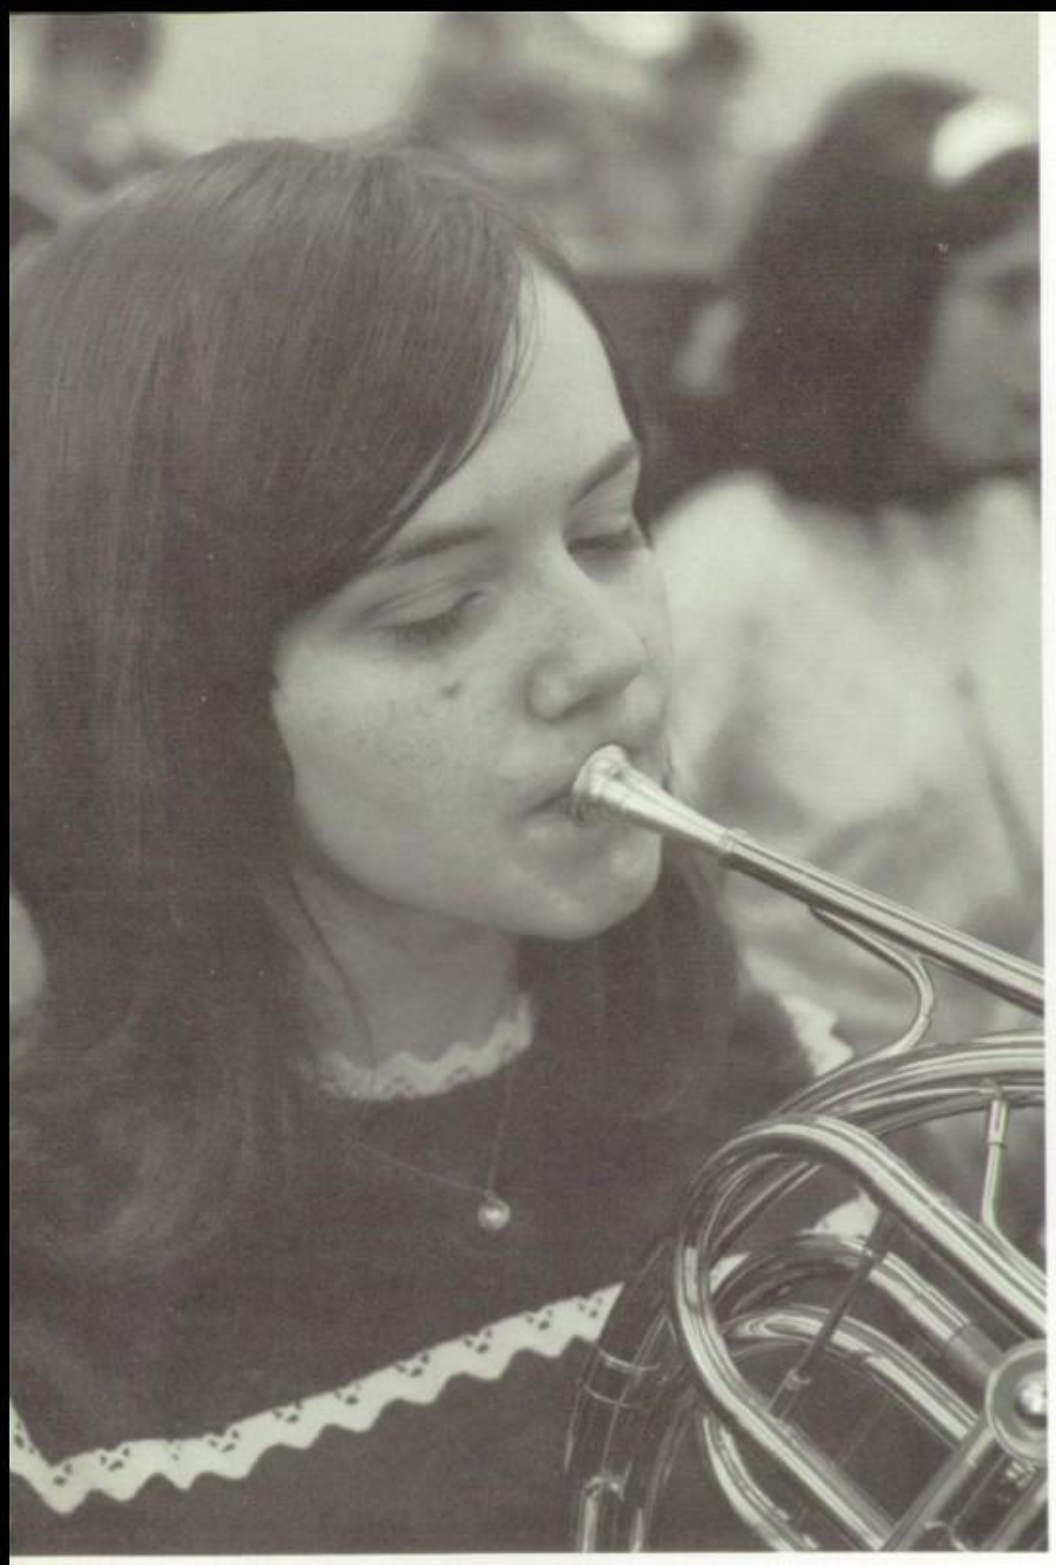
Vocational Studies Promote Future Careers

In **PERSONAL TYPING** the beginning students learn the keyboard and strengthen their typing ability by doing prescribed exercises and timed writings. **TYPING II** students are expected to increase their speed and efficiency while learning the proper techniques of office or business typing. **SECRETARIAL PRACTICE** enables commercial students the chance to develop those qualities which are needed to become a professional secretary. **SHORTHAND** students learn to use a brief system of writing in which only the major sounds are written and emphasized. **BOOKKEEPING I and II** students become familiar in handling company books or records and distributing their net income. Learning to make out checks properly, to figure interest rates, and to balance a budget are some topics covered in **GENERAL BUSINESS.** In **HOME EC I, II, III, IV** the girls learn to prepare balanced meals, to use proper health rules, and to sew clothing from sample patterns. Boys learn to be efficient in proportioning farm land, in choosing crops, and in repairing farm machinery in **VOC. AGRICULTURE. DRAFTING** aids future career men of this trade by teaching them the proper use of drawing tools and the proper way to complete scale drawings. Safety rules, choice of wood grains, and patience in completing a project are all stressed in **INDUSTRIAL ARTS.**

Proper use of one of the many business machines is shown by Randi Ross.



Concentrating on her part for the upcoming competition is Ann Wood.

Creative Arts Help to Expand Student Talents

The three **MUSICAL** departments—band, orchestra, and choir—are always involved in preparing for upcoming performances. Their schedule includes certain assemblies, seasonal concerts, district competition, and public commitments. They provide many hours of enjoyable entertainment for both the faculty and students of Genoa High School. The **LIBRARY** provides the proper atmosphere of learning for all interested students. Each year the teachers submit a new list of preparatory and suggested reading material which they would like to see added to the shelves. The school librarian, together with the Board, tries to purchase many of these books under their yearly budget. Student librarians gain valuable experience which is needed to become future professional librarians. The basic **ART** courses at Genoa are Art I, Art II, and Commercial Art. Silk screening, oil painting, lettering, clay sculpturing, and working with papier-mâché are areas given major attention in these courses. Art Appreciation, which was just added this year, develops the styles of art throughout the ages.

MRS. PHYLLIS WOOD is the school librarian and the advisor to the Hi-Li Club. She likes lemon cream pie for a dessert. Mrs. Wood enjoys all types of music with her favorite singing star being Petula Clark. Instructor for art and advisor to the Art Club is **MRS. ADELAIDE DUNN.** Working with ceramics and pottery is her hobby. Mrs. Dunn enjoys traveling and recently visited Expo '67. **MR. GARY ZIMMERMAN** is the school orchestra conductor. Mr. Zimmerman is new to the music department staff. He likes all sports but his favorite is basketball. **MR. VERLIN EASH** is the band director for the Genoa Area Schools. He likes to bowl and golf. Mr. Eash played the trumpet in the Fremont Civic Orchestra. **MR. HERBERT GRUENKE** is the choir director for the Genoa Area Schools. Mr. Gruenke loves cultural entertainment and has a season pass to the performances at the Peristyle.

Instructors Reveal Their Outside Interests

MR. RICHARD HONNER is the instructor for Boys' Physical Education, Health, and Drivers' Education. He is the head basketball and cross-country coach. Mr. Honner likes to travel around the country to various tournaments and last year he attended the Los Angeles Basketball Classic. Another addition to the faculty this year is **MISS NEDRA BRUGGEMAN.** She is the instructor for Girls' Physical Education and the advisor to the G.A.A. and cheerleaders. Dabbling in art, swimming, and bowling are her hobbies. Miss Bruggeman is a lifeguard at a state park in the summertime. American History is taught by **MR. DAVID MILLER.** Mr. Miller is the head bowling and track coach and the school athletic director. He assists the senior class in all duties since he is one of their advisors. Mr. Miller enjoys steak and good music. **MISS MAY BLAUSEY,** who is not pictured, teaches World History and American Government. Her senior government class made a thorough research on the subject of crime. Both Miss Blausey's and Mr. Hitchen's government classes visited Port Clinton to see their county government in action.

BOYS' PHYSICAL EDUCATION is divided into several seasonal areas—in the fall soccer and tap football; in the winter volleyball, basketball, and tumbling; in the spring wiffleball and softball. Every boy has the chance to demonstrate his physical capabilities in the Marine Physical Fitness Test. **GIRLS' PHYSICAL EDUCATION** encompasses soccer, basketball, folk dancing, tumbling, kickball, softball, and volleyball. Bowling was added to their curriculum for the first time this year. **HEALTH** enables many students to become familiar with the intricately designed networks of the body. Rules governing correct dieting and good grooming are also studied.

WORLD HISTORY outlines the trends of civilization from prehistoric man to the present day. Students become familiar with the successes and failures of former generations. **AMERICAN HISTORY** unfolds the cornerstones upon which this country was founded and the patriotic heritage which defended those cornerstones. Seniors develop the concepts of democracy in action in **AMERICAN GOVERNMENT.** In addition to the regular text, the students debate on such problems as Vietnam, Crime, and Water Pollution.

Smiling Faces Greet Office Visitors

The administration and high school secretaries proved themselves capable of running efficient offices. With the numerous phone calls, scheduling problems, abundant paperwork, and odd errands, they are kept busy every minute of the school day. **Miss Lynette Hoeft** is the secretary to the high school principal and the guidance counselors. Some of her duties are assisting the athletic director in preparing state forms and eligibility sheets for athletes, entering all pertinent information on student records, taking care of all banking for the high school, handling the activity funds, and acting as a receptionist for the students and public. The office workers assist Miss Hoeft during their study hall periods. **Mrs. Linda Lobdell,** secretary to the superintendent and Clerk of the Board of Education, types the monthly newsletter, purchases items for the school, and keeps notes of Board meetings. These secretarial duties are greatly appreciated.

School Personnel Furnish Necessary Services

The **CUSTODIANS** have worked hard all year to keep Genoa High School looking at its best and running smoothly. The students should always exemplify pride in their school by cooperating with the custodians to keep it clean. The **COOKS,** again this year, are to be commended for the tasty lunches which they serve. Lunch time has been a favorite period of the students for years and with the wholesome food which Genoa's cooks prepare, it is sure to remain a favorite period of the day. The cooks are assisted by several student cashiers and cafeteria workers. **MRS. SANDRA MEEKER** is the speech and hearing therapist for the Genoa Area Schools. She is also the advisor to the Dramatics Club.

Rebuilding Job Accomplished Early

Few lettermen were returning in the 1967 season which meant a lack of experience for the Genoa Comets. Rebuilding was thought to be the word describing the gridders. The season started with a 1—1 record. In their third game, the Comet "Combination" upset the favored Springfield Devils in a 34—20 victory. Conditions of snow, rain, and bitter cold, monopolizing much of the season, made team and band performances along with school participation difficult at times. A 40—0 victory over Elmwood added an extra thrill to Homecoming festivities. At mid season, the Comets were tied with Rossford for the league championship. Losing by only eight points to the Perrysburg Yellow Jackets who were later to finish first in the Northern Lakes League (NLL), was a hard blow for Genoa.

Comet Gridders Surprise Many

The Comets ended their league season in a 14—0 victory over Lake during a freezing rain. Climaxing the 1967 season for Genoa's eleven was a non league loss to Oak Harbor by 20—8. Oak Harbor received the Celestial Ball for the first time since its origin three years ago. A 6—4 record along with a third place league position made this year a victorious one. Seniors, led by co-captain Jeff Rice and John Lewis, provided much leadership for the '67 squad. The disadvantage of inexperience did not plague the Comets but instead gave them the incentive to prove their strength and experience which they will use next year. Approximately eight lettermen will be returning both offensively and defensively for the 1968 season, giving the Comets high hopes for the future.

An important part of football is the "chalk talk."

Injuries Plague Inexperienced Comets

With the return of only one letterman, the Varsity squad experienced a difficult season. The starting five changed often during the year, and the team managed only three victories. Promising reserves were used when injuries sidelined regular players.

Although game after game brought disappointment, the excitement of some still lingers: the wins over Oak Harbor and North Baltimore; Howie Routson, the team's high scorer, earning a position on the NLL second team; and the Maumee game where, in the closing minutes, only three players remained on the floor. Our team felt the true meaning of "agony of defeat," but we hope the coming year will bring a winning season.

Reserves and Freshmen Show Desire to Win

The Reserve basketball team had a winning season of eleven wins and seven losses. They scrimmaged with the Varsity and earned valuable experience to help the team in the coming year. The all sophomore team was led by high scorers Randy Shaneck and Tim Weis. The Reserves traveled with the Varsity to see a college game between Defiance and Heidelberg. Coach Hitchen was proud of his hard-working team.

The small Freshman team ended the season with a record of five wins and ten losses. Although the team was little, they were filled with hustle and determination to win. In the Anthony Wayne game they trailed by 17—0 at the end of the first quarter but battled back to win 34 to 33. The freshman team finished fourth in the NLL tournament.

Interest Increases in Bowling and Wrestling

Although the **BOWLING TEAMS** did not have a winning season, they represented Genoa High School well by their display of good sportsmanship. Holding the top individual average for the Reds was Carl Hartwig and for the Whites, Bruce Moritz. They were coached by Mr. Miller.

Genoa High School's **WRESTLING TEAM,** coached by Mr. Oberhaus, had a season record of two wins and eight losses. They proved to be better, however, by placing fourth in the Northwood Invitational Tournament and fifth in the Northern Lakes League Tournament. This year's team was composed mostly of freshmen and sophomores, losing only two seniors. Rick Andeverde and Mike Braddock took championships in their weight class at the Northwood Invitational Tournament. Rick Andeverde was also voted by his team members as the Most Valuable Wrestler of the Year.

Comet Thinclads Have Mediocre Season in '68

The Genoa High School track squad broke even in the win-loss column for dual meets with a 4—4 record. With all the former greats gone, and the return of only four lettermen, many vacancies had to be filled by underclassmen. Four seniors provided the leadership and incentive for the rest of the squad. The cindermen suffered defeat to Rossford 90—37, Anthony Wayne 87—40, Maumee 87 1/2—39 1/2, and Perrysburg 81—46. They defeated Springfield 81—46, Elmwood 102—25, Eastwood 75—52, and Lake 73—54. The Comets also lost in a tri-meet to Oak Harbor and Fostoria St. Wendlin. The squad took a third place in the Ottawa County Meet finishing behind Oak Harbor and Elmore. The returning talented sophomores and juniors together with a successful freshmen team should highlight the next year's season.

Golf, Cross Countrymen Promise Bright Future

Medalist Bill Brown lines up his shot to tee off.

The **CROSS COUNTRY TEAM** this year finished their season with a record of four wins, five losses, and one tie. In the League Cross Country Meet, Dan Fork finished in fourth place and Ed Braddock in sixth. These two boys advanced to the District Meet where Ed Braddock placed seventh. The top scorer for the team was voted by the squad as Most Valuable Player. This was Ed Braddock. Mr. Honner was the coach.

This year's **GOLF TEAM,** coached by Mr. Blum, held all but three of its matches at Chippewa Golf Course. The teams had a record of three wins and five losses. Bill Brown was four times a medalist for Genoa's team. As a sophomore this year, Bill will have two more years of golf at Genoa High School. Only one senior, Larry Sampsel, will not be returning to next year's team. The experience should prove to be an asset to next year's golf squad.

GOLF TEAM: J. Vine, B. Brown, D. Martin, D. Fork, C. Shields, T. Weis, S. Varga, L. Sampsel, R. Martin, M. Padgett.

Comet Baseballers Have Puzzling Season

Spring brought with it the start of baseball. Although this sport is a newer one at Genoa, its popularity is increasing. A number of players, Dan Mathews, John Harbal, Jeff Rice, and John Lewis, returned to the Varsity squad. The team lost their first game to Elmwood 1—0 but came back strongly to win against Lake 12—5, Rossford 6—4, Fremont Ross 6—4, Port Clinton 3—0, and Elmwood 10—0. Their winning streak ended suddenly when they lost their tournament game to Woodward High School 10—0 on a very cold afternoon. The Comets continued their slump losing to Cardinal Stritch 6—1, Rossford 8—0, Eastwood 5—4, Lake 5—3, Maumee 5—0, Start 7—0, Port Clinton 3—2, Eastwood 5—2, and Perrysburg 7—0. Mr. Baird was the Varsity coach and Mr. Oberhaus, the Reserves, who finished the season with a 4—3 record.

Cheering their teammates on are Rick Briggle and John Harbal while John Lewis seems determined to get a hit next time up.

VARSITY AND RESERVE CHEERLEADERS: Gretchen Peer, Janet Widmer, Lois Smith, Sue Diekman, Karen Sander, Julie Bertok, Carol Brooks, Sharon Albright.

Cheerleaders Add Spirit to Sports

Following preliminary and final tryouts, eight girls were chosen cheerleaders. Four were on the Varsity and four on the reserves. During the summer, practices were held every week to get ready for football season. Three girls, Janet Widmer, Sue Diekman, and Gretchen Peer, attended camp in Michigan. They brought back many new ideas for cheers, songs, and pep meets. Also, the cheerleaders were awarded a blue ribbon at a one-day clinic at Lake Seneca. They earned the ribbon by showing the most spirit while performing their cheer.

With the start of school came practices twice a week, the fun of planning a pep meet, and the excitement of the coming game. During basketball season, a pep club was started. They were taught the new cheers and songs by the cheerleaders. The squads learned mounts to use in their cheers, performed skits, and did a pom pom routine. The cheerleaders worked hard and tried to keep up the school's spirit. The spirit which the squads helped produce made the season a beneficial one.

Captain of the cheerleaders, Karen Sander, places the blue ribbon they won at a cheerleading clinic in the trophy case.

ACTIVITIES

HOMECOMING COURT: SEATED: Carol Brooks, Karen Sander, Debi Gaul, 1966 Homecoming Queen Susie Stein, Barb Sutter, Gail Porter. **STANDING:** Dee Troknya, Linda Fisher, Diane Grahl, Sandy Scott, Nancy Richards, Jean Turnow, Diane Sander, Randi Ross, Jennie Plantz, Nancy Johnson.

Royalty Reigns in the "Land of Oz"

With the start of school came the nomination of fifteen girls by the various clubs and organizations for football homecoming queen. Pictures were taken and decorating began. Excitement increased each day. Finally, after a week of campaigning came the big moment. Each candidate was escorted along the yellow brick road to her place in Emerald City. The tension mounted as the four attendants were announced, and then—"Our 1967 football homecoming queen, Miss Debi Gaul!" This was just the beginning of a beautiful fairy tale for the queen and her court.

Diane Grahl and Bill Ackerman follow the yellow brick road to be seated with the court in Emerald City.

QUEEN DEBI GAUL

Grid Team Pleases Queen with Smashing Victory

The homecoming night began with the parade down Genoa's Main Street to the football field. Each girl rode in a car decorated to her fairy tale. Art Club was first, F.B.L.A. second, and Varsity Club third in the Best Decorated Car Contest. After arriving at the football stadium, the queen and her court walked across the field with their escorts to their special seats as the band played "Sweetheart of Sigma Chi." During the halftime ceremonies the queen was presented the traveling trophy from the Alumni by last year's queen, Susie Stein. The G.A.A. presented the queen her own personal trophy. To add to these happy and memorable moments was a Comet 40—0 victory over the Elmwood Royals. Climaxing this "dream-come-true" was a dance held the following night in honor of the queen and her court.

The Wizard of Oz answers Debi Gaul's dreams as Chris Vogelpohl guides her to the throne.

There are no witches on Gail Porter's mind as John Lewis escorts her into "The Land of Oz."

Randi Ross rides in the Varsity Club's prize winning car.

Three members of the queen's court: Diane Sander, Randi Ross, and Sandy Scott join in singing the Alma Mater.

During the pregame homecoming ceremonies Joel Pinkerton escorts Linda Fisher across the field.

The court's spirit is aroused as the Comets near the goal line.

Classes Present Successful Plays

The Junior class presented the play, "The Skeleton Walks." The action begins when Elaine Blair, Mary Ann Clark, comes to see the home she inherited from her uncle. She finds the very strange and mysterious Dr. Fersig, Martin Matyas. The doctor does everything he can to scare Elaine and her family away since he is really a thief. Things finally calm down when the police come to arrest Dr. Fersig and inform Elaine that the house is rightfully hers. Director for the play was Mr. Charles Johnson.

"The Egg and I" was the production performed by the Senior class. It was a comedy story about a city family who moved into the country. Their house lacked electricity, running water, and a bathroom. The play portrayed the MacDonald family's struggle to make their egg farm work. Miss Johnson was advisor for this play.

John Vine, a detective disguised as a woman, saves Micky Wolcott, a deaf and dumb boy, from the ax of Martin Matyas.

JUNIOR PLAY CAST: FRONT ROW: B. Mandell, M. Wheeler, R. Eckerman, Mr. Johnson. **ROW 2:** Student Director P. Wescotte, M. Clark, C. Shields, M. Matyas, J. Johnson, A. Wood, M. Wolcott, J. Vine.

SENIOR PLAY CAST: FRONT ROW: D. Blausey, B. Johnson, B. Schriefer. **ROW 2:** S. Scott, Miss Johnson, C. Coleman, J. Harbal, N. Johnson, C. Weseman. **ROW 3:** J. Lewis, D. Helle, G. Roecker, Student Director N. Hurdelbrink, D. Latham, C. Brooks, J. Rice, A. Womack, D. Sander.

Sandy Scott as Anne displays her prize-winning pullet to reporter Chick Coleman.

The friendliness extended to rural neighbors is portrayed by Donna Helle, Carol Weseman, Al Womack, and Gary Roecker in the play **The Egg and I.**

GAA Spends Christmas Evening in the Alps

The 1967 G.A.A. Christmas formal was held on December 16 in the high school cafeteria. The senior G.A.A. members were in charge of decorations. To carry out the theme "Christmas Evening in the Alps" one whole wall was a mural of a Swiss Chalet, and another was snowcapped mountains. In a corner was a sleigh amidst Christmas trees decorated in blue lights and covered with snow. Good Ole St. Nick made his regular appearance yelling good cheer and bringing gifts for everyone. Music was provided for the formal by the Don DeCamp Quintet. Refreshments, served by the eighth grade cheerleaders, consisted of tea sandwiches, dainty Christmas cookies, and punch. The G.A.A. formal was a new experience for the freshman members and a last but memorable one for the seniors.

Miss Bruggeman, the G.A.A. advisor, receives her gift from Santa for being a good girl.

Student couples take time out from dancing to relax.

QUEEN BARBARA SUTTER

Homecoming Brings Happy Memories

Miss Barbara Sutter reigned as Genoa High School's Basketball Homecoming Queen at the January 19th game. Until the halftime presentation of the court everyone was in suspense to know their 1968 queen. Previous to this evening each class chose the following girl to represent them as a queen attendant: Freshman, Sue Leppert; Sophomore, Karen Briggle; and Junior, Chris Leppert. Three seniors, Barb Sutter, Gail Porter, and Karen Sander were elected by their class. It was from these three that the basketball team picked their queen.

When the girls were escorted onto the basketball floor, the anxiety increased. Then came the announcement of our 1968 basketball homecoming queen. The gym was filled with cheers and tears for their new queen. Barb Sutter was crowned by her escort, Howie Routson. The Key Club then presented her with a personal trophy.

Following the game was a dance honoring the queen and her court. This evening was planned by the Student Council.

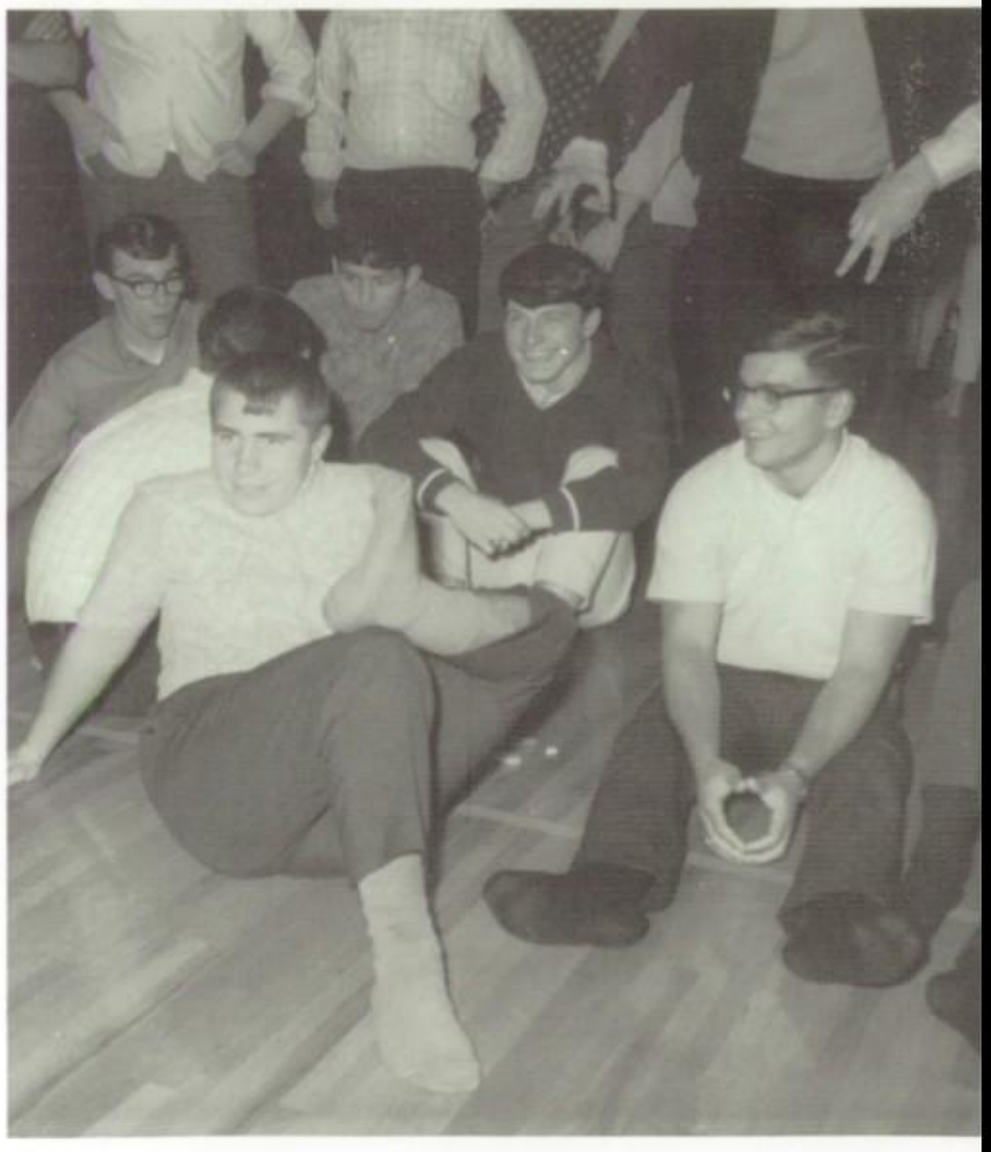
Banquets and Dances Highlighted the Year

The guidance department held a Back-to-School Dance the first weekend in September so that all students could make or renew acquaintances after the summertime lull. A Penny Hop, sponsored by the Limelight Staff, was held Saturday, January 6, 1968, to secure funds for the yearbook. In addition to the dance, a campaign was held the preceding week to choose a Limelight King and Queen. A Psychedelic Sock Hop was sponsored by the Art Club in February of this year. With flower power, shades, bright colors, and strobe lights fluttering to the music of Bounty Hunters, the sock hop produced a real sensation among the spectators. The Spanish Club hosted a Barn Dance in mid April. The featured attraction of the night was a battle of the bands. All athletes were honored at an All Sports Banquet in May. Awards were given to the best athletes of the year. Varsity Club, Band, and FBLA held their banquets in the spring to honor their members, especially the hard working seniors who were leaving.

Bill Ackerman and Janet Kozak reign as Limelight King and Queen.



Staging a sit-in at the sock hop are Ed Braddock, John Lewis, Gil Cisneros, Chick Coleman, and Jeff Rice.

Placing themselves in a frenzied mood at the Psychedelic Dance are Becky Peer, Gary Brooks, and Carol Tank.

Mr. Eash is presenting Gary Roecker with this year's trophy for being the most valuable band member.

Athletes of the year, Al Womack and Dan Mathews, receive their trophies from Coach Oberhaus.

"Tahitian Holiday" Sets a Festive Mood

A white sandy beach with colorful palm trees and seashells, a treasure chest filled with souvenirs, the moonlit but mystical tiki idol, and tropical fishing huts are the memories cherished by all who attended the 1968 **JUNIOR-SENIOR PROM,** "Tahitian Holiday."

Beginning the largest social event of the year was a smorgasbord held in the cafeteria which was gaily decorated in a South Sea Island setting. After dinner, the couples viewed the gymnasium which had been transformed into a Tahitian Paradise. Several natives greeted the couples and presented them with traditional leis of friendship and souvenirs recovered from an ancient shipwrecked galley. The Sophomore servers performed an authentic Tahitian dance. A hula dance and a magic show completed the evening's entertainment. After-prom festivities were a movie, "To Sir With Love" and a party which lasted into the wee hours of the morning. Prom night will reign in many hearts for years to come.

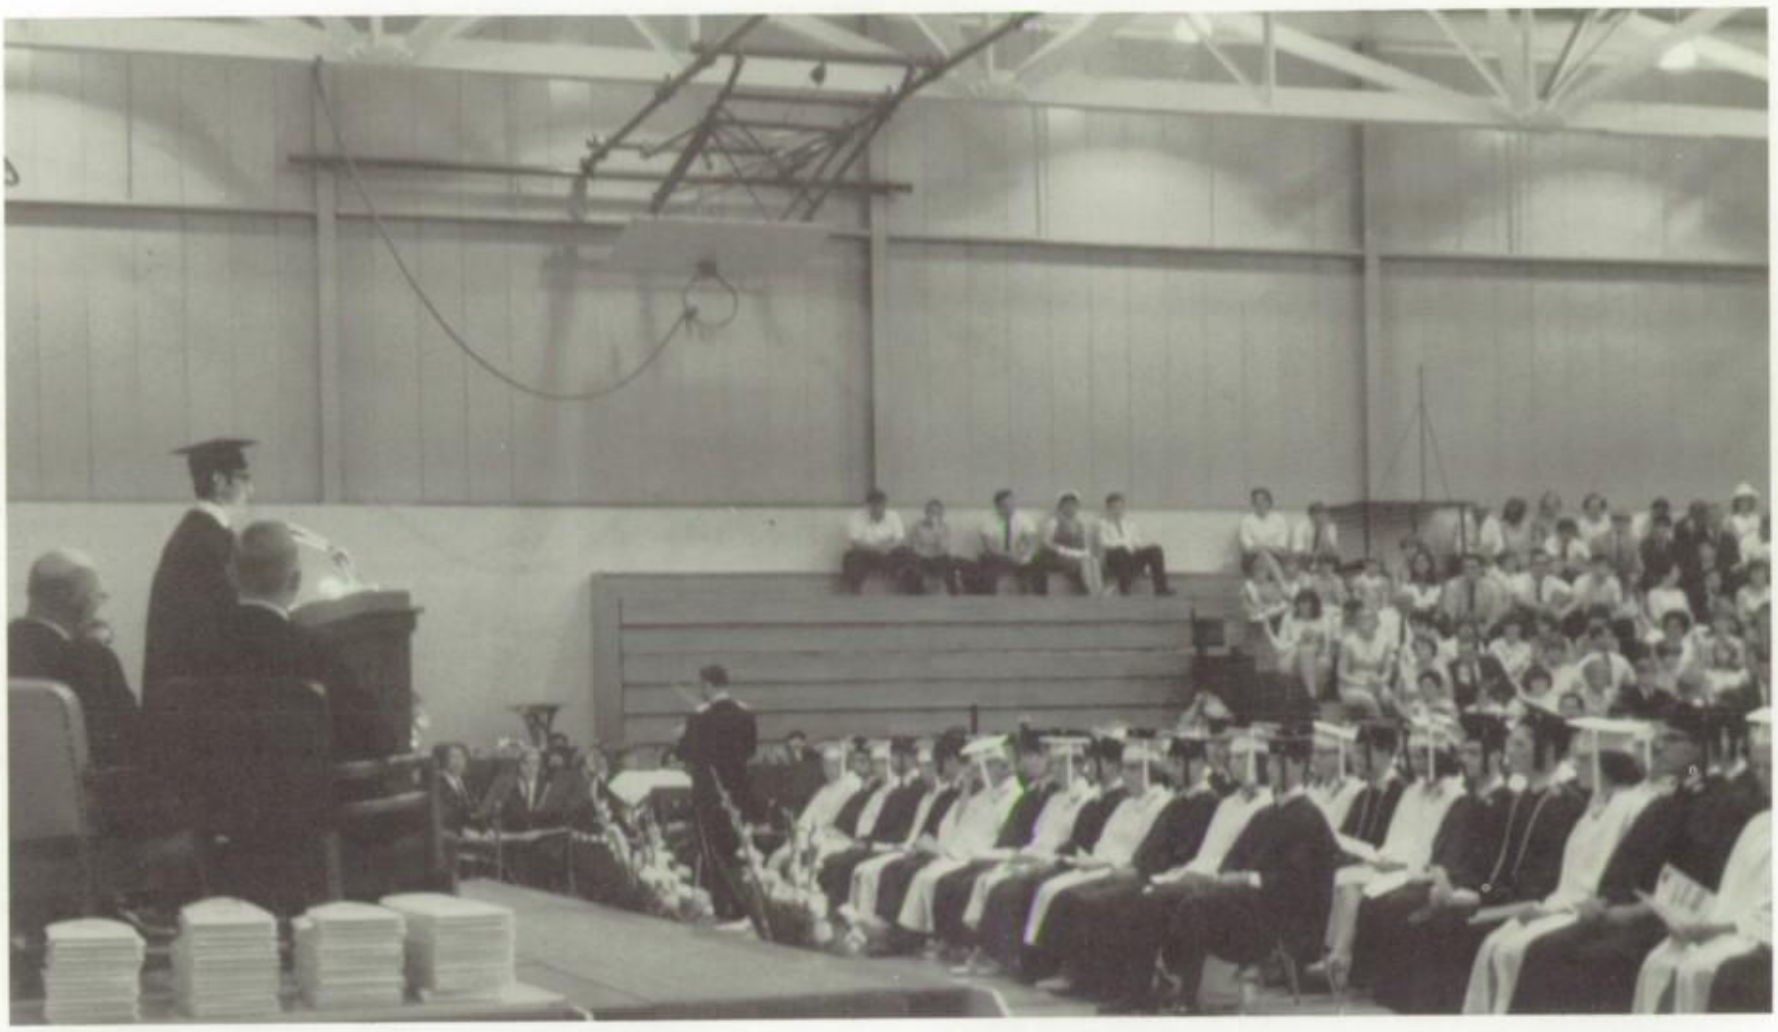
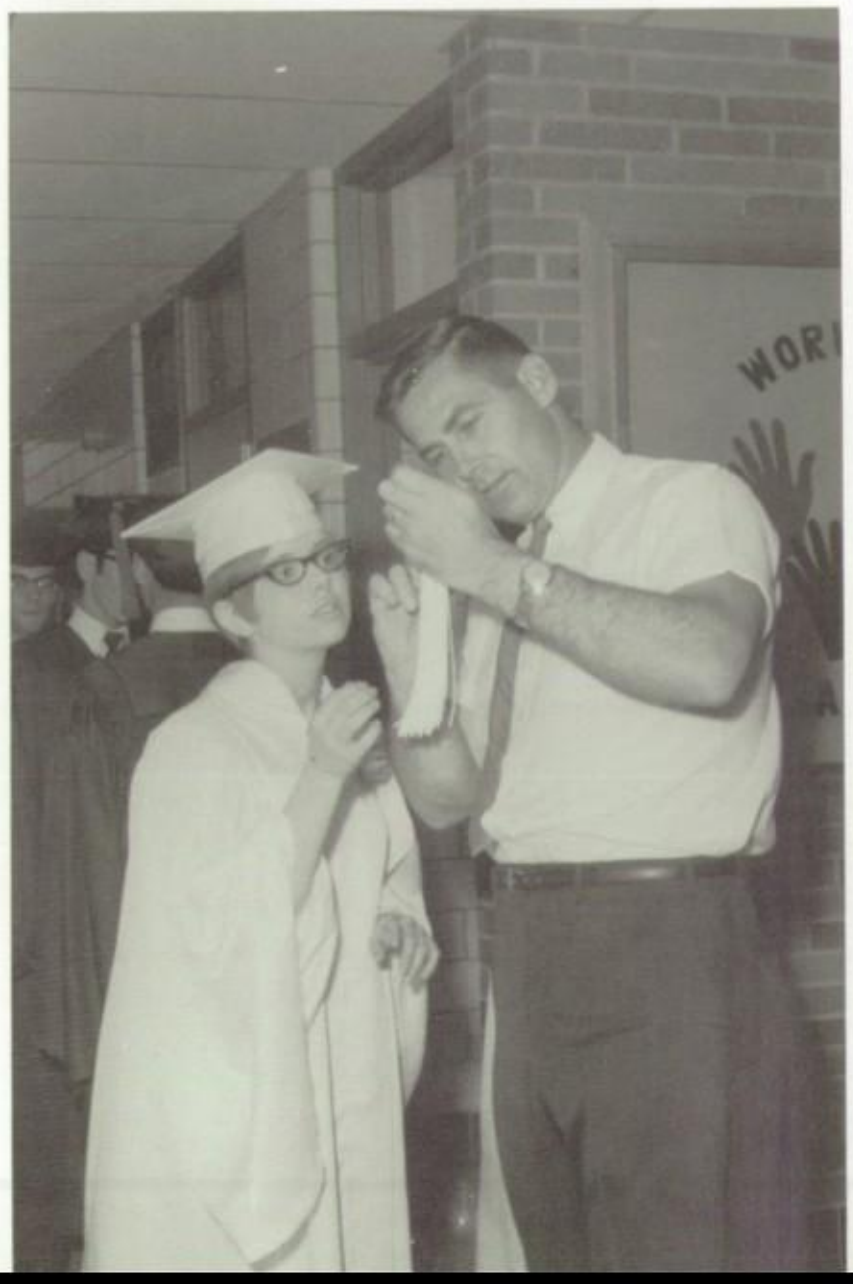
Receiving their program from Karen Younker as they enter the banquet are Barb Mandell and Chris Vogelpohl.

Delightful conversation is enjoyed between dances by Larry Sampsel and Debbie Fork; Mary Ann Clark and Bob Albright.



Accompanied by the band Dennis Latham narrates part of a speech by Douglas MacArthur entitled "Duty, Honor, Country."

Mr. Hitchen, senior class advisor, helps Laura McCormick adjust the gold commencement band on her tassel.



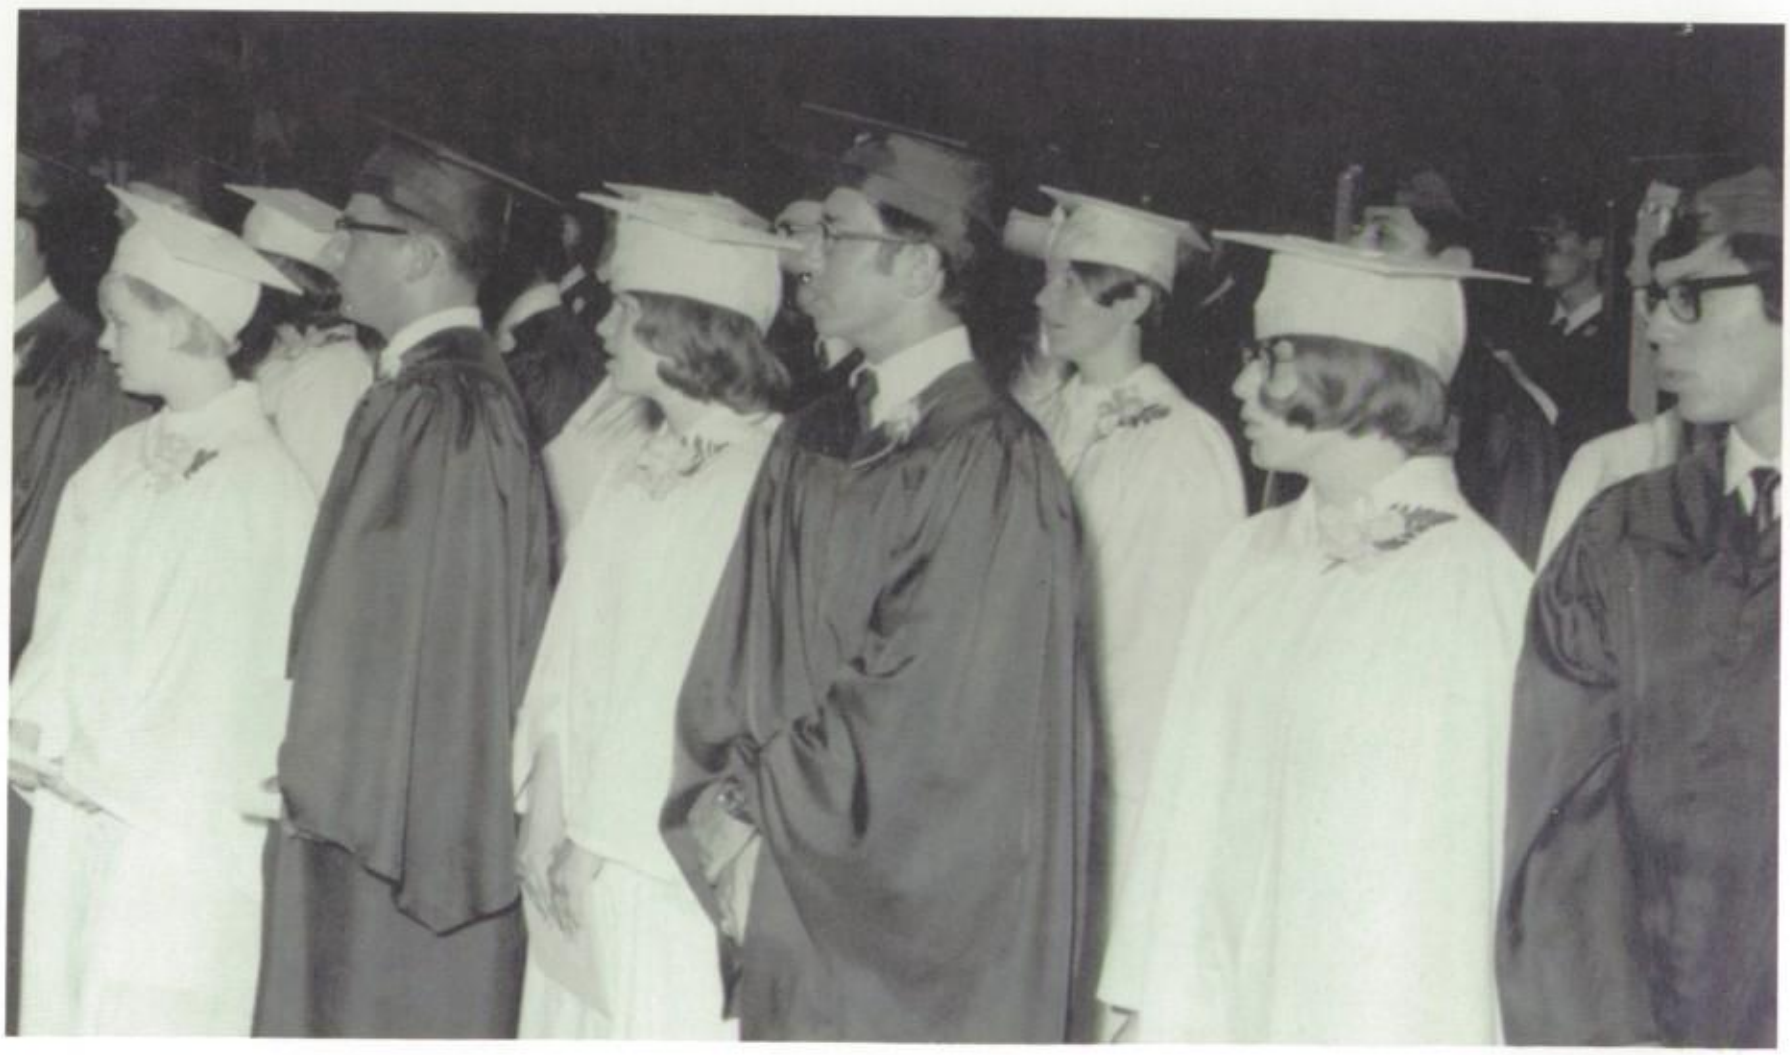
A New Beginning on the Long Road Ahead

Commencement Exercises were held in the high school gymnasium on Thursday, June 6, 1968. This was truly the "D-Day" because it launched 108 seniors out into a rough competitive world where they will have to struggle along life's road to make their place in society. Dr. Laurence Hall from Perrysburg, Ohio, was the principal speaker for the evening. He urged the members of the graduating class not to be disillusioned by the actions of our society today but rather make our own decisions and follow through with them. On the preceding Sunday, June 2, 1968, Reverend Robert Hartenfeld addressed the class at the Baccalaureate Service on "Stay Awake, Stay Alive." Commencement may arouse mixed emotions but it also brings a greater responsibility for the graduates to face the future with an earnest desire to succeed.

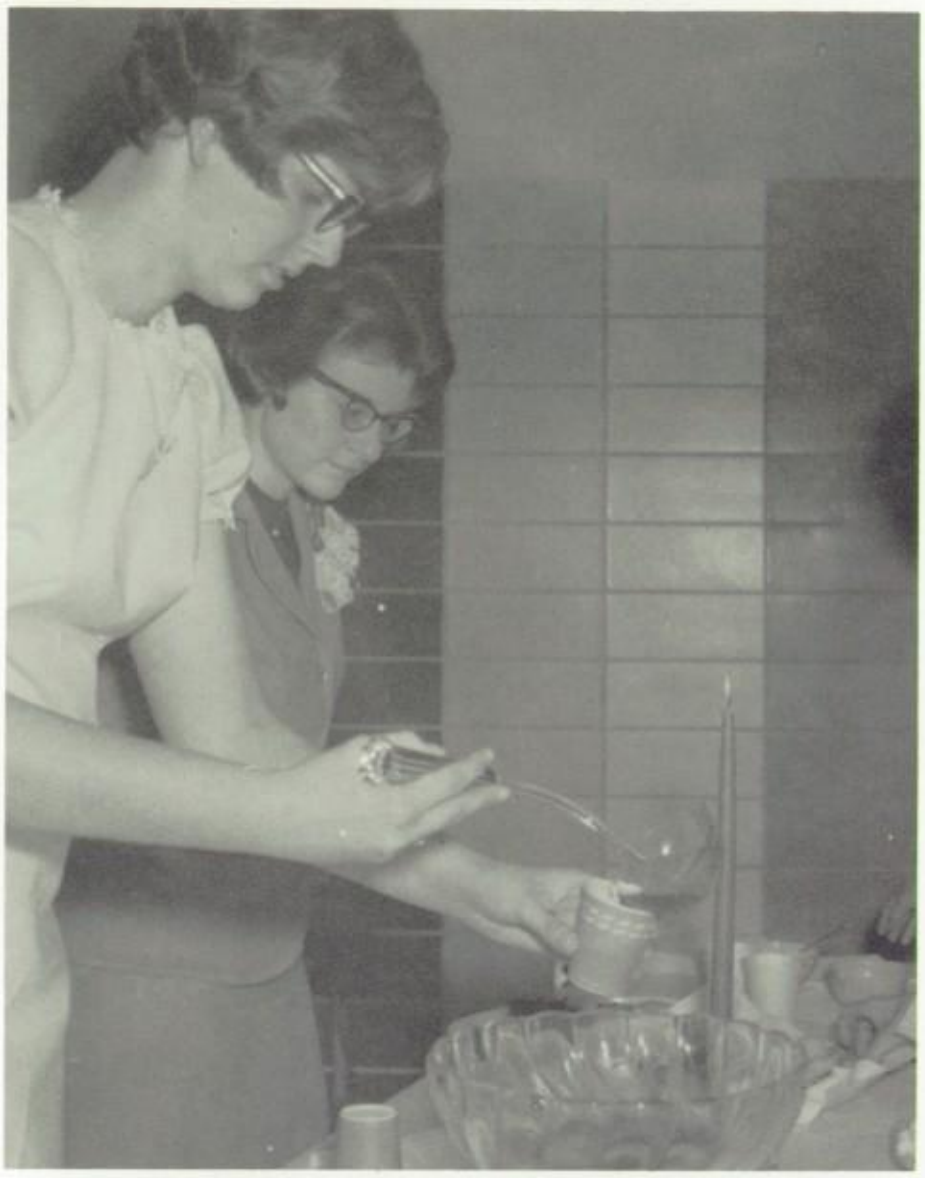
Gary Roecker shows Sandy Scott, valedictorian, where his name will be placed as salutatorian on the commencement plaque.

The solemnity of the occasion is shown by the expression on Marlene Wilhelm's face as she receives her diploma.

The class joins in singing the Alma Mater for the last time in their high school career.



ORGANIZATIONS



Band Rates Superior for Second Year

This year was a wonderful and exciting one for the **GENOA HIGH SCHOOL BAND.** They wore their new uniforms for the first time. The band got a superior rating at district competition in Clyde. To add to this thrill, the band traveled to state competition in Columbus and returned home with a one rating. They were greeted by parents and friends upon their arrival back at the school. The proud band was led on a parade through Genoa to complete the excitement of the day.

The band banquet, held late in May, was a huge success. Everyone had a good time square dancing. Awards were given to outstanding band members of each class. Gary Roecker was voted the most valuable band member of 1968. On Memorial Day the band played and marched in the surrounding area. In addition to holding their regular fall and spring concerts, the band members aided their parents in raising money through a card party and a rummage sale to help pay for the uniforms.

Many members of the band are also a part of the **ORCHESTRA,** which is directed by Mr. Zimmerman. This year the orchestra held its own spring concert.

Band Encourages Extra Student Participation

The **PEP BAND** performed at pep meetings and at basketball games. Members practiced during and before school. The leader was Gary Roecker.

The **MAJORETTES** practiced hard over the summer, holding practices two or three times a week, to be ready for football season. Nancy Lindsey, as drum majorette, and Bonnie Spurgeon, as head majorette, were capable and qualified leaders. During one football game the two of them twirled fire batons. All the majorettes performed in a pom pom routine and a two baton routine. The majorettes were truly an entertaining and attractive part of the pregame and halftime ceremonies.

In March at Port Clinton Genoa was very successful in **SOLO AND ENSEMBLE COMPETITION.** Receiving ones were six soloists, two clarinet trios, and a trumpet quartet.

Vocal Talent Inspires Seasonal Interest

Under the direction of Mr. Gruenke the Genoa High School Advanced and Beginning Choruses presented concerts in the fall, the winter, and the spring. They performed before the student body assemblies throughout the year. Carol Weseman, John Lewis, and Carol Brooks, with the Mixed Ensemble, competed in March at the District-State Solo and Ensemble Competition held at Port Clinton. The entire chorus received an excellent rating at District Competition at Clyde. A Senior Ensemble composed of Senior chorus members sang two selections for Baccalaureate. The Beginning Chorus then joined the Advanced Chorus to perform two other numbers. The Choruses and Mr. Gruenke both deserved much commendation for a fine year.

Service Clubs Have a Very Busy Year

The **STUDENT COUNCIL,** the service club composed of two representatives elected by each class, worked at improving the activies of the student body. They sponsored a drive to collect money for the Junior Red Cross and sold candy to help the Steve Beattie Fund. Basketball homecoming was also under the capable direction of the Student Council. They organized the Pep Club and elected students as "Citizens of the Month."

Composed of 21 sophomore, junior, and senior boys, **KEY CLUB** was sponsored by the local Kiwanis Club. They worked to improve the school and community. In the fall the members painted mailboxes and helped work at the Kiwanis pancake supper. They also spun records at school dances and gave personal trophies to the football and basketball queens. Selling bumper stickers and holding dances enabled the club to make money for an announcement board at the high school.

Dennis Latham, Marsha Lemke, and Karen Fowler admire the plaque which the Student Council purchased for the school.

Club Members Render Services to Students

The **HI-LI,** a club composed of student librarians, was under the guidance of Mrs. Phyllis Wood. Besides holding a dance, the club went to Bowling Green State University where they toured the new library. The Hi-Li members did an excellent job of checking out books and keeping the library in order. The attractive bulletin boards and display window were changed frequently by the Hi-Li.

The **PROJECTOR CLUB,** a service organization, had the project of settingup and operating the projector for classroom movies. Its members consisted of all students taking electronics. One of the club's other chores was to prepare microphones and other equipment for student body assemblies and pep rallies.

One of the library's many resources is used by librarian Nancy Richards and by Nancy Hurdelbrink.

Career Clubs Provide Experience Opportunity

Some of the members of the **FUTURE TEACHERS of AMERICA** had the experience of teaching at Allen. A movie with a question and answer period on smoking was presented to the fifth and sixth grades at Allen Central. At one of the club's meetings a foreign exchange student attending St. Francis compared his home country, Belgium, with ours.

This year the **FUTURE BUSINESS LEADERS of AMERICA** again raised money by having a candy sale. For Homecoming they sold yellow mums. At one of the F.B.L.A.'s meetings a representative from Stautzenberger Business College spoke on business careers. In the spring an F.B.L.A. banquet was held at Latham's Country House. Senior members were awarded charms at the banquet.

Students Perform Worthy School Projects

The **FUTURE HOMEMAKERS OF AMERICA,** open to all students having one year of home economics, had monthly meetings with planned programs of interest to all. The annual tea was held in March. Mothers and 8th grade girls were invited. F.H.A. officers were presented with corsages. Members modeled clothing they had made in class during the year. Refreshments made the evening complete. In April, the club planned an "F.H.A. Week" in which they presented a plant of flowers to the office and sent cookies to Genoa's former students now in Vietnam.

Boys interested in vocational agriculature joined the **FUTURE FARMERS OF AMERICA.** They sold popcorn during the football games and grew crops on school land as money-making projects. Springtime brought the sale of garden seeds. A contest on parliamentary procedure was held with neighboring schools competing. The F.F.A. boys helped in many projects around the school.

Language Clubs Have Busy Year

Both the French and Spanish Clubs had an active and interesting year. They were headed by a new teacher, Mrs. Miller. The **SPANISH CLUB** held a candy sale during a basketball game and a dance in early April. They also sponsored a candy contest in which students paid to guess the amount of candy in a jar. To end the year the club took an outing.

The **FRENCH CLUB** was busy with a dance and pastry sale. At Christmas time they sold scented candles. The club sponsored a roller skating party, which was open to all students, and also went to see a modern French play at Bowling Green State University. A trip was taken to Greenfield Village at the end of the school year.

Athletic Clubs Were on the Move

The **GIRL'S ATHLETIC ASSOCIATION,** which encourages participation in sports, has grown larger every year. After tryouts were held early in the school year approximately forty new girls were added to the club. During the football season the G.A.A. sold programs to help pay the cost of carrying on the Homecoming festivities. The G.A.A. was honored to have its candidate, Debi Gaul, chosen as the Homecoming Queen. Members and their dates enjoyed the annual Christmas formal held in the cafeteria. The club had volleyball and basketball teams. To earn extra money, the G.A.A. sponsored two dances and a girls' "Battle of the Classes" basketball game. Members were able to buy G.A.A. jackets which was a first for the organization this year.

The athletes who earned their letters in the various sports form the **VARSITY CLUB.** They were then eligible to buy a jacket and receive their varsity pin. In the spring their annual banquet was held at the Secor Hotel. Money for this activity was received through the selling of coke and popcorn at the basketball games.

Talents Displayed in Arts and Dramatics

The **DRAMATICS CLUB** had a very full year including a play, "Pillow Talk," and a Halloween Party held at the home of the advisor, Mrs. Meeker. Officers for the club were President Deanna Troknya, Vice-President Marianne Cottrell, Secretary Carol Brooks, Treasurer Diane Grahl, Historian Nancy Johnson, and Sergeant at Arms Martin Matyas.

Under the advice of art teacher, Mrs. Dunn, the **ART CLUB** was of great help to the school. Many posters and pep signs displayed throughout the year were made by its members. During basketball season the club again assumed the responsibility of watching coats. A theater party and a picnic were the club's recreational activities. On February 17th a Psychedelic Dance was sponsored by the club.

Painting beads for the Psychedelic Dance is Art Club president, Mike Steving.

New Ideas Achieved Through Hard Work

Subscriptions were sold to the school newspaper at the beginning of the year by the **COMET STAFF.** Throughout the year they sponsored many contests for the subscribers including a "Snowbound Contest" and a St. Patrick's Day crossword puzzle. Prizes were given to all winners. They also put Comets in students lockers. Those having red ones in theirs were winners. Students taking journalism made up the Comet Staff. They worked hard to provide an interesting and well-organized paper which included a special issue on April Fool's Day.

The **LIMELIGHT STAFF** worked extra hard to get the necessary money for the annual and to meet the deadlines. The staff was elected by their classmates and had many new ideas for this year's Limelight. They held a candy sale and a penny king and queen dance. Each class chose a boy and a girl to compete for king and queen. After a week of collecting coins for the yearbook from their classmates, the two highest became the king and queen at the dance.

NATIONAL HONOR SOCIETY: N. Johnson, G. Kusner, N. Hurdelbrink, G. Roecker, C. Weseman, C. Brooks, J. Rice, S. Scott, D. Blausey, K. Sander, R. Briggle, R. Ross.

PROBATIONARY MEMBERS: M. Cottrell, B. Mandell, R. Eckerman, R. Eckerman, L. Rice.

Being initiated into the National Honor Society are Nancy Johnson, Dick Blausey, and Nancy Hurdelbrink.

Outstanding Journalists and Scholars Honored

This year the **NATIONAL HONOR SOCIETY** inducted twelve seniors into the organization at the annual Scholarship Banquet. Scholarship, character, leadership, and service are qualities which its members must have. The five junior probationary members performed the ceremonies. As each member was called, they lighted a candle, received a certificate, and signed the register. Miss Johnson, Mrs. David, and Mr. Porter serve as advisors for this society.

On Awards Day the **QUILL AND SCROLL** members received their pins. To be a part of this organization the members must be in the top third of their class and work on either The Comet Tales or The Limelight.

Reddy Says: We Want People to "Get Ahead"®

Today's classrooms furnish knowledge that will help in tomorrow's world. That's why Toledo Edison urges employees to improve their skills, abilities and mental growth through company-sponsored education and training programs such as:

- EDUCATION ASSISTANCE PLANS
- ADVANCED MANAGEMENT COURSES
- FOREMANSHIP CLASSES
- SPECIAL ON THE JOB TRAINING AND STUDY

But, we also encourage other people to continue their education so they can qualify for increasingly important jobs such as those at Toledo Edison.

Education...our greatest CHALLENGE...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for these occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

Owens-Illinois is but one of the hundreds of American business organizations concerned by this challenge and actively engaged in specific ways and means to meet it.

There are many things which make a school year memorable and we of the 1968 Limelight Staff have tried to capture these treasured moments and experiences with pictures and words. However these substitutes can never take the place of the real events and therefore it is up to you, the reader, to look beyond the pictures and read beyond the captions so that your own scrapbook of memories may be completed and your own appetite for yesterday's fun and happiness may be satisfied.

Building is important for the structure you complete must serve adequately for the time alloted whether it be for a few hours, a few days, or even a lifetime. A yearbook is only compiled once. The materials used to compile it must be supplied by the labors of the students involved. The strength, beauty, and outlook of the yearbook depends upon the manner and completeness in which these labors have been fulfilled.

We of the Limelight Staff would like to thank Mrs. Alice David, our advisor, Mr. Earl Parks of American Yearbook Company, and the teachers of our school for their excellent cooperation and assistance throughout the 1967-1968 school year.

Entering, Adjusting, Settling,

Seeking, Finding,

Departing,

—Forever building.
